*We purchased a Hercules filly
in 2010 and have found her to
be very keen on the stock. She
is very soft and controllable.
We have also introduced her to
polocrosse and she looks an
exciting prospect.*

- Greg & Cathy Wells
"Nogun", Rolleston

*Hercules progeny are lovely
natured and are great to break
in and teach. You should give
Hercules a go - we are!*

- Jess, Snow and Jodie Crozier
"Belington", Taroom

*Hercules progeny have a lovely
temperament and natural cattle
sense. They are trainable, well
balanced, smooth gaited and
terrific walkers. His progeny will
perform well over a range of
different disciplines.*

- Terri and Colin Boyce
"Mt Kinnoul", Taroom
