## PROMINENT BREEDERS' LIST - 2011

The Prominent Breeder's List is a list of Financial Members who breed a significant number of horses annually for registration and potential sale as Registered Australian Stock Horses.

To ensure that the list is valid, the member must have bred and registered a minimum of 6 horses, foaled during the previous two breeding seasons at time of update.

Other members and smaller breeders are available on the Society's Website provided the member concerned has authorised their contact details to be available on the Society's Online Stud Book.
