FEES:

- 6 Panel Genetic Screening** (already DNA profiled) **\$130.00** (tests - OLWS, HYPP, HERDA, PSSM1, MH, GBED)
In the event, hair previously submitted is insufficient or not available to enable testing for Genetic Disorders, a second sample may be required. Processing of a second sample will incur an additional fee of \$65 to verify it is from the same horse. Should this be required, we will advise you accordingly.
- DNA Record & 6 Panel Genetic Screening** **\$225.00**
Upon receipt of payment, a DNA kit will be issued to the registered owner with instructions for the owner and a witness (adult) to collect a sample and submit to the testing laboratory as detailed in the kit. The Sire Registration is suspended until DNA is completed.
- Sire Registration, DNA Recorded & 6 Panel Genetic Screening** **\$505.00**
Upon receipt of payment, a DNA kit will be issued to the registered owner with instructions for the owner and a witness (adult) to collect a sample and submit to the testing laboratory as detailed in the kit. The Sire Registration is suspended until DNA is completed.

GENETIC DISORDER TESTING (OLWS, HYPP, HERDA, PSSM1, MH, GBED)

All female and entire progeny born prior to 1st August 2020, being progeny of horses testing positive to a Genetic Disorder (carrier or affected), must be tested and the results will be NOTED on the horse's registration and the Online Stud Book.

All female and entire progeny born after 1st August 2020, being progeny of horses testing positive to a Genetic Disorder (carrier or affected), must be tested for Genetic Disorders and results must be **NEGATIVE** to be accepted for registration.

Effective Immediately, ALL stallions/colts (any age) being Sire Registered will require Genetic Disorder testing. Any horse that returns a Positive Test as a carrier or affected for a Genetic Disorder will be **REJECTED** for Sire Registration.
