## HOW TO ARRANGE AN INSPECTION

The minimum age for horse inspections is as follows:

- **First Cross** horses (mares and geldings) are eligible for inspection **at any age** after branding.
- **Special Merit** horses (mares, geldings or stallions) are eligible for inspection **at any age** after branding.
- **ASB Thoroughbreds** (mares and stallions) must be **at least two years old** for inspection.

Prior to arranging the inspection, the appropriate **APPLICATION FOR REGISTRATION** must be completed and the **HORSE MUST BE CLEARLY BRANDED** with a Stock Brand, Identification Number and Foaling Season Year Brand. The Society will accept any stock brand, freeze or fire. A registered stock brand is not compulsory, as brands are only regarded as an acquired marking for identification purposes for registration purposes. **PROOF OF SERVICE** must be included with First Cross and Special Merit applications.

Members are able to contact Society Inspectors to arrange a mutually acceptable time and place to carry out the inspection, ie, inspector's or horse owner's residence, local event and the like. The Society Inspectors are listed on the following pages - name, location and contact telephone numbers. **The Inspection Report is included on the current Application for Registration.**

**A Society Inspector is NOT able to participate in the inspection of any horse as indicated below:**

- The Inspector has a conflict of interest – any situation whereby the Inspector's decision may be influenced.
- The Inspector has a pecuniary interest – expectation of financial gain or loss.
- The Inspector's immediate family, including partner, owns the horse.
- The Inspector is a business partner, employer or employee of the member.
- A horse currently owned or previously owned (less than one year) by the Inspector.
- The horse was sired by a stallion currently owned or owned within a twelve month period of inspection date by the Inspector.

An inspection pass does not constitute acceptance by the Society of any such application. The application will be considered by the Society in accordance with the Regulations when submitted to the Society.

It is Society policy for horses not to be ridden during the inspection process, unless the owner feels it is in their best interest. In relation to Inspection Fees, it is the Society's Policy that the Inspector negotiates these fees with the owner prior to the inspection. These fees must be paid directly to the Inspector when the horse is inspected. The Society recommends the following fees:

**\$30.00 per horse, plus 78 cents per kilometre Travel Expenses.**

Should you feel that the Inspection Fee is too high; a Video Inspection may be considered at \$20.00 per horse. The video footage is then sent to Head Office together with the Application for Registration and Proof of Service for inspection purposes. The procedure for Video Inspections is included in this document.

The Inspector will consider the horse's conformation, Stock Horse type, movement, ability, colour, height, temperament, overall appearance and the like. The preferred height for an Australian Stock Horse is between 14 and 16 hands. The following **characteristics are considered undesirable**:

- Feathered legs, together with a heavy build
- Leopard or blanket markings
- Excessive irregular white coat (more than 70%)
- Pale coloured eyes or eyes showing excessive white
- Hereditary conformation faults or abnormalities
- Crypt orchid and genital abnormalities
- Extremely nervous or nasty temperament
- Overall appearance being unbalanced

## INSPECTION PROCEDURES

**GENERAL INSPECTION** - the horse may be inspected by video footage or physically. When the Inspector views the horse for acceptance or otherwise, the Inspector must consider the horse's conformation, Stock Horse type, movement, ability, colour, height, temperament, overall appearance and the like. The Inspector must verify that all identifying marks on the horse correspond with the application, ie, white markings, brands, indentations, scars, hair whorls, etc. The brands must be clearly visible and correspond with the application.

Minimum age for horse inspections is as follows:

- **First Cross** horses (mares and geldings) and **Special Merit** horses (mares, geldings or stallions) must be eligible for inspection at any age after branding.
- **ASB Thoroughbreds** (mares and stallions) must be at least two years old for inspection.

It is not the Society's policy for a horse to be ridden, however, should the owner feel it is in their best interest they may do so, in addition to specified requirements.

- Under saddle the horse should demonstrate the following paces; ie walk, trot and canter.
- The horse may also be shown in action to demonstrate its ability and temperament; ie gallop, stop, haunch turn etc.

**An inspection pass does not constitute acceptance by the Society of any application. The application will be considered by the Society in accordance with the Regulations when submitted to the Society.** The Inspector shall not participate in the inspection of any horse in which the Inspector has a Conflict or Pecuniary Interest.

**VIDEO FOOTAGE** – The owner is required to have the horse filmed and footage sent to Head Office for an Inspector to view.

- **Video Inspection Fee: \$20.00.** It is recommended that the footage is recorded on a DVD or USB. The footage should be a reasonable resolution, so quality is not compromised. There is no 100% guarantee that any home recorded footage will play in all DVD players or computers. In terms of DVD compatibility, using DVD+RW discs are easier as they do not need to be finalised at the conclusion of the recording process. Alternatively, DVD-R and DVD+R discs may be used, but must be finalised before removing from the DVD recorder to enable them to be played in a different DVD player or computer.

**The horse must be filmed unsaddled as follows:**

- Presented on a lead, viewed in a stationary position from the front, rear, near and off sides.
- Front and rear views of the legs must be zoomed in for close inspection.
- All brands must be clearly visible and zoomed in with commentary describing the position. The Inspector will verify that the brands on the horse correspond with the application.
- All identifying marks must be zoomed in with commentary describing each marking and the position of same, ie, white markings, indentations, scars, hair whorls, etc. The Inspector will verify that the markings on the horse correspond with the application.
- Presented at a walk and trot in a straight line directly towards and away from the camera - the handler should ensure that he/she does not obstruct the Inspector's view.
- Presented at a walk and trot in a full circle, which is between twenty and thirty metres in diameter.

Members wishing to have a colt or stallion inspected via Video Inspection method must complete a Statutory Declaration stating that the horse in question has two descending testicles. The Statutory Declaration must be signed by the owner of the horse and witnessed by a Justice of the Peace.

The footage should run between four and eight minutes in length. After the footage has been filmed, it must be viewed by the owner to ensure that the horse is presented in the best possible manner and then forwarded to the Society in the recommended postpak, together with the application for registration, colour photograph of the horse, registration and inspection fees. Any footage considered to be unsatisfactory will be returned to the owner with notification by the Society.

**PHYSICAL** - the Inspector travels to the area where the horse is stabled or paddocked and the horse is presented to the Inspector unsaddled as follows:

- On a lead, positioned to enable viewing in a stationary position from the front, rear, near and off sides.
- Presented at a walk and trot in a straight line directly towards and away from the Inspector, the handler should ensure that he/she does not obstruct the Inspector's view.
- Presented at a walk and trot in a full circle, which is between twenty and thirty metres in diameter.
- **Physical (per horse) - paid to Inspector**

Inspection Fee: **\$30.00 plus 78c per km travel expenses.** It is the Society's Policy that the Inspector negotiates these fees with the owner prior to the Inspection. These fees must be paid directly to the Inspector when the horse is inspected. Should the owner feel that the Physical Inspection Fee is too high, the owner may reconsider a Video Footage Inspection or may reduce expenses by floating the horse closer to the Inspector.

## IMPORTANT NOTICE FOR SOCIETY INSPECTORS

- A list of Society Inspectors will be available on the Society website and/or published in the Australian Stock Horse Journal and Members will be able to contact Inspectors directly to arrange a mutually acceptable time and place to carry out the inspection.
- Prior to arranging the inspection, ensure that the person requesting the inspection has completed the appropriate Application for Registration and the horse has been branded. The owner of the horse must be a Financial Member of the Society or will be submitting an Application for Membership with the registration.
- **The Inspector must consider the horse's conformation, Stock Horse type, movement, ability, colour, height, temperament, overall appearance and the like. When inspecting horses, we ask that you endeavour to build on the quality of our Australian Stock Horses when making your decision to accept or reject.**
- The preferred height for an Australian Stock Horse is between 14 and 16 hands. The following characteristics are considered undesirable:
  - Feathered legs, together with a heavy build
  - Leopard or blanket markings
  - Excessive irregular white coat (more than 70%)
  - Pale coloured eyes or eyes showing excessive white
  - Hereditary conformation faults or abnormalities
  - Crypt orchid and genital abnormalities
  - Extremely nervous or nasty temperament
  - Overall appearance being unbalanced
- **It is important that the identity of the horse presented for inspection is verified against the Application for Registration – brands, markings, permanent scars, hair whorls and the like. All horses must be clearly branded with an owner or breeder's Stock Brand, Identification Number and Foaling Season Year Brand. Any discrepancies must be marked on the Application for Registration.**
- Once inspection is finalised, the completed Application for Registration and Proof of Service must be returned to the Society with payment of registration fees.
- **Minimum age for horse inspections is as follows: First Cross horses (mares and geldings) and Special Merit horses (mares, geldings or stallions) are eligible for inspection at any age after branding. ASB Thoroughbreds (mares and stallions) must be at least two years old for inspection.**
- Members should be advised that an inspection pass does not constitute acceptance by the Society of any such application. The application will be considered by the Society in accordance with the Regulations when submitted to the Society.
- It is Society policy for horses not to be ridden during the inspection process, unless the owner feels it is in their best interest.
- When carrying out inspections on behalf of the Society, you are required to be a Financial Member and the Nominee of a Full, Participant or Subscriber Membership.
- In relation to Inspection Fees, it is the Society's Policy that the Inspector negotiates these fees with the owner prior to the inspection. These fees must be paid directly to the Inspector when the horse is inspected. The Society recommends the following fees: **\$30.00, plus 78c per km travel expenses.**
- **A Society Inspector is NOT able to participate in the inspection of any horse as indicated below:**
  - The Inspector has a conflict of interest – any situation whereby the Inspector's decision may be influenced.
  - The Inspector has a pecuniary interest – expectation of financial gain or loss.
  - The Inspector's immediate family, including partner, owns the horse.
  - The Inspector is a business partner, employer or employee of the member.
  - A horse currently owned or previously owned (less than one year) by the Inspector.
  - The horse was sired by a stallion currently owned or owned within a twelve month period of inspection date by the Inspector.
- CONFLICT OF INTEREST – is defined as a situation in which a Society Official (Director, Inspector, Judge and the like) has a duty to make decisions on behalf of the Society and has an interest in the subject sufficient to appear to influence the decision to pass judgement (accept, reject, score, place and the like). A PECUNIARY INTEREST – is defined as an interest that a Society Official (Director, Inspector, Judge and the like) may have in relation to a person or horse because of a reasonable likelihood or expectation of appreciable financial gain or loss to the person.
- Having a CONFLICT OF INTEREST or PECUNIARY INTEREST is not evidence of wrongdoing, but it may appear to compromise a decision. When making a choice to act as a Society Official, the person must consider the responsibilities of acting in the capacity of the position. The Society expects any person accepting a role as a Society Official to make decisions that are objective and independent from such interests that can result in impartial decisions.
- When a situation is recognised that could be considered a CONFLICT OF INTEREST or PECUNIARY INTEREST, the response is straightforward: make the interest known and decline the duty. An interest may be that of the person; the person's spouse or de facto partner, a business partner, employer or employee and the like.
- A Society Official does not have a CONFLICT OF INTEREST if the concern is so insignificant or a PECUNIARY INTEREST if the expectation of gain or loss is so remote or insignificant; that it could not reasonably be regarded as likely to influence any decision the person might make in relation to the decision. A person is not taken to have a Conflict of Interest or Pecuniary Interest in a matter, if the person is unaware of the interest.
