Bridie Akeroyd (BRIDIES DESTINY)

I have been riding as long as I can remember with plenty of photos with baby me on horses around. Bridie and I have been a combination for about 12 months, we purchased her from Richard Bull because he named her after me.

The biggest achievement I've had is when Bridie and I won both the Open and Juvenile Challenges at our local branch's challenge day. Another big accomplishment would be coming second at state games just last year with the rest of my Pony Club team. She is very good at anything that involves cows and also is very fast which helps when you are in a games team that can represent at state level.

My horse is very temperamental. She is a bugger to catch but makes it worthwhile once you have caught her. She tries every time. No matter what you are doing or how hard it is she always gives 110% and turns herself inside out to get the job done.

Georgie Batten (MAINS PICTURE PERFECT)

MAINS PICTURE PERFECT (Ollie) was bred by Michelle and Craig Mains out of one of their beautiful mare MAINS JESSICA - HSH out of Jen Meyers stallion DOCS COOL GUN. He was gorgeous and cheeky as a foal.

I have been lucky enough to have been riding Ollie since he was broken in by Craig Mains in 2017. I have loved training with Ollie he has a fantastic work ethic and will put 110% into every ride. He loves being worked, and if I work another horse before him, he will be at the gate waiting for me to get him.

Ollie has been very successful in the ASH Show ring as well as the open show ring. One of Ollie's biggest achievements was this year being awarded Reserve Champion Gelding at Canberra Royal 2020. Ollie is truly a one of a kind, he has the best personality and a fantastic temperament. Ollie is only 5 years old and I can't wait for many more years with this amazing Australian Stock Horse.

Lucy Batten - (YANJARRA PARK SPECIAL EDITION)

YANJARRA PARK SPECIAL EDITION 'Jackson' is a gorgeous boy who I have had the pleasure of owning for five years. We competed in many interschool and ASH shows with great success. Jackson has really travelled the countryside with me, and I have loved every minute with him. He is a pleasure to have around and is truly one very easy horse. Jackson is very much an allrounder, he can jump 1m, dressage, cross country and then go into the sporting arena for some fun.

We purchased Jackson as a green just broken in horse and we have very much grown together over the years I have owned him. We have had many major wins over our time together with many overall Champions at interschool and ASH show events.

Jackson and I competed at State Interschools and then qualified for Australian National Interschool four years in a row for Dressage and Combine training. He has many tricks in the paddock including kissing me on the cheek every night before his dinner. He also loves to try and give his rugs when on to his friends in the paddock which is many hours of entertainment to him. I adore him and all his quirks.

Amy Cheney (DOONGARA PRIMROSE - HSH)

My name is Amy Cheney and I am lucky to have a beautiful Heritage Australian Stock Horse mare to compete on. I am a member of the Central West ASH Branch and ASHLA.

We purchased DOONGARA PRIMROSE HSH as a 2yr old from the Wallen Family at the 2013 Fountain of Youth Sale. I had my first ride on Prim not long after we bought her and fell in love with her. Our first competition together was at the 2016 State Show at Scone and from then on I knew that I was going to have a lot of fun with her. We have competed very successfully at ASH Youth Nationals, ASH Nationals, Sydney Royal Show, ASH Branch Shows and Challenges, Campdrafts, Sporting and Working Cowhorse events.

Some of our best achievements include Central West 2019 Overall High Point Open Working Horse, Overall High Point Hack 5 Years & Over, Overall High Point Mare/Filly, Overall High Point Junior All Round Competitor and Overall High Point Horse for Central West Branch.

Prim has a bright and quirky personality that makes her extremely special to me. She's always reliable and gives her best in everything I ask of her.

Jack Clancy (LYALLS MERLIN)

I started having riding lessons when I was 4 years old and I got my first horse at 5 years old. I have had Merlin for about 18 months, and he is now 9 years old. My biggest achievements are runner up Junior Preliminary Champion at NSW Pony Club Nationals in 2019 and 3rd place in NSW Pony Club C Grade show-jumping in 2019.

We purchased Merlin from Georgie Whatmore in Wagga and he was bred by Lyall's at Scone. I have had some great instructors. Sue Walker and Sarah Venamore have both helped me with dressage and Clare Anderson has helped me with showjumping. Merlin always listens to me and tries his hardest.

Caitlin Croft (SARIMA ROSANNA)

SARIMA ROSANNA (Tara) was purchased 3 years ago and is 13 years old. Tara continues to be Caitlin's main mount where she competes in Dressage, currently competing at Elementary Level but she is looking to continually move up the levels and improve in every test, Show Riding, ASH Hack – Working – Utility Classes & Showjumping.

I competed at State Pony Club Events, NSW Interschool events, Local Ag Shows, ASHS Nationals where I received many wins, placings, Champions & Reserve Champions during 2019. I also represented my school competing in Dressage in New Zealand on a borrowed horse.

I am incredibly grateful that my family had the opportunity to purchase such an amazing horse. Tara is such a versatile Stock Horse, always willing to please and gives 110% in everything she does. I am also grateful to my instructors at NEGS for their continued coaching & support.

Alena Duncan (PINCH RIVER PIPER)

Piper and I have been riding together for 18 months, but I have been riding since I was one year old when Dad would take me on the front of his saddle. My Dad has always worked with Piper and I to help us learn and improve. We purchased Piper almost five years ago from a friend.

We competed in the NSW state team at the QLD State Championships last year for both Formal Gymkhana and Sporting. We placed in Pony Club Mount, showjumping and sporting and we won State Age Champion for Formal Gymkhana and placed 4th overall for sporting.

Piper loves to sport and showjump, and she REALLY loves liquorice! We have always placed well in the local gymkhanas and Zone Championships. I am really looking forward to us being able to compete again this year. We like to go trail riding in the Snowy Mountains when we can, just to relax, and Piper was the first horse I learnt to vault onto. She is an exceptional Stock Horse because she is gentle and kind, smart and very versatile.

Zali Duncan (REMIX SPLASH)

I've been riding since before I could walk; My Dad took me riding on his horse. Splash and I have been a team for 8 years. She was bred by friends Rick and Erica Mitchell. She has been the most wonderful horse, excelling in everything I wanted to do.

We have won either Age Champion or Reserve at PCANSW State Sporting Championships for the last 3 years, competed in the NSW team at the QLD state titles in both 2017 and 2019, and we have competed and placed highly at State level in Formal Gymkhana, Sporting, Mounted Games and Team Sporting. In 2019 we competed at PCA Nationals where we won 3 events, 1 second and placed in the top 10 for Pairs, and showjumping, coming 7th Overall and part of the Sub Junior Champion State Team.

She is an exceptional horse because she is smart, well-mannered and she loves competing with me. Dad always worked with me to help us be the best we can. Splash is my whole world, and at the moment she's in foal so I am really looking forward to meeting her foal and hope it takes after Splash in every way.

Georgia Holland (BINNIA STILLETTO)

Hi my name is Georgia Holland I am 11 years old and have been riding since I could walk and competing since I was 8 years old. I have been riding BINNIA STILLETTO for just over a year now. We compete as a combination in campdrafting, ASH Shows and challenges, she is also competed by the whole family in campdrafting. She has been competed by Dad and Nikki Barndon in Polocrosse where she has won 3 A Grade Champion Pony Awards and ASHS Awards from very limited carnivals. Stilletto also played her first ever carnival of Polo with Dad last year and won a Best Pony Award there to.

BINNIA STILLETTO is owned by Hylux Performance Horses, she was purchased at an ASHS Fountain of Youth sale as a yearling from Troy and Fiona Palmer of Binnia Performance Horses. Stilletto was broken in by my Dad and has been trained by him and Nikki Barndon throughout the years. I believe she is a versatile mare adapting to any level rider and any discipline.

Georgia Holland (HYLUX TOPAZ)

I have ridden Topaz for a few years now mostly campdrafting and ASH events so this was my first year playing polocrosse on her. She's the most versatile mare adapting to rider level, Topaz is campdrafted by all of our family at all levels as well.

Topaz has played national level polocrosse with Nikki Barndon in 2018 Perth Nationals.

Mitchell Holland (HYLUX TOPAZ)

My name is Mitchell Holland, I am 9 years old and I have been riding since I could walk but been competing HYLUX TOPAZ for a year now, but she is competed by all of our family. She was brought as a foal at foot with the mare BINNA RUBY - HSH by BINNA IMPRESSIVE DESTINY and is now owned by Hylux Performance Horses.

HYLUX TOPAZ has been very successful at National level polocrosse with Nikki Barndon, playing Open mixed at Perth Nationals 2018. Nikki also has played a massive role in her education, playing polocrosse on her and competing at State ASH shows with her. Our family has her through the summer, competing her in campdrafting and Nikki has her through the winter playing polocrosse.

She is a very versatile horse as she can be ridden by my sister and I in junior campdrafts/challenges and Mum and Dad can both compete her on her in open drafts too.

HYLUX TOPAZ has also been used for stockman challenges showing confidence across all aspects. She is the leader of the pack in the paddock and is has a quirky personality.

I believe this mare is exceptional because she can be ridden by anyone and adapts to their riding ability while still being highly competitive.

Lauren Jones

(OTFORDVALLEY JARRAH - HSH)

OTFORDVALLEY JARRAH - HSH is an 11 year old Heritage Stock Horse, a double cross of GLEN LEE RIVOLI RAY - HSH. I purchased Jarrah 4 years ago when I was looking to move from my Galloway up onto a Hack. Jarrah excels in showjumping, dressage and hacking.

My instructor Ngaire Reynolds has played a huge role in our training; Ngaire has been teaching me from the age of 4 years old and has been training Jarrah and I as a combination from when I first bought him.

Jarrah has placed highly at NSW Pony Club state show riding, dressage and showjumping and many NSW interschools. Jarrah loves to be the centre of attention and is always up for lots of cuddles, he is always looking to please.

Laci Kremer (CONDOVER BOSS- HSH)

Hi my name is Laci Kremer and my horse's name is CONDOVER BOSS- HSH (Boss). Boss and I have been a team for a year now but, I stole him for my mum. I have competed Boss in the Australian Stock Horse classes as well as the Show Hunter Galloway classes at all the Agricultural Shows we have attended this past show season.

I have competed Boss in various disciplines such as sporting, show riding, campdrafting, dressage and showjumping. Together Boss and I have achieved many champions and I hope that there will be more to come. Boss loves attention and he also loves to jump. One of the great things about Boss is that no matter what the circumstances are he always puts all of his effort in and is always happy to see me. I can't wait to see what the future has in store for us!

Laci Kremer (KREMER SUPA SONIC -HSH)

My name is Laci Kremer and my horse's name is KREMER SUPA SONIC -HSH (Sonic). Sonic and I have been a team for the past two years now. I have been riding since I could walk and I would not give it up for the world. Sonic and I work tirelessly to try and reach our goals across several disciplines such as campdrafts, sporting, challenges, show riding and competing in the Australian Stock horse ring.

My love for Australian Stock Horses comes from my family who have bred and have competed Australian Stock Horses for as long as I can remember.

My greatest achievements on KREMER SUPA SONIC -HSH have been winning the High Point Under 13 years at Aria Park Show and winning Supreme ASH at Boorowa Show.

What makes Sonic unique is that he hates puddles but, no matter what he always try's his best for me and he really enjoys cattle work. I can't wait to see what the future brings for Sonic and I as well as seeing old friends and meeting new ones in the Stock Horse ring.

Teila Kremer (CEDERVALE CLASSIC - HSH)

My name is Teila Kremer & I have been lucky enough to ride CEDERVALE CLASSIC - HSH (Bobby) for the past 2 years. Bobby is exceptional in so many ways and has taught me so much. Bobby is 21 years old but does not act his age at all. He is my absolute favourite horse because he is quirky and fun and is happy to complete at the highest level or just hang out with me.

We compete in many different events together including ASH show events, pony club, campdrafting, sporting & dressage. Some of our recent achievements are the Overall Winner for the Stock Horse Challenge at SMIEC interschool's competition and our success at the Goulburn Murray Branch Show winning High Point HSH of the show, High Point Youth Horse & Rider & the Under 13yrs Challenge. Another highlight for me was winning the ASH hack ridden by Under 13yrs class at Canberra Royal.

I am so grateful to Rachael Schliebs and the Schliebs family for not only allowing me to ride Bobby but for all their help, support and encouragement. I look forward to competing with my family & friends in the future.

Roy Lawler (MACGLEN MATRIX - HSH)

Roy has been riding Matrix for 4 years now and they have become a fantastic team.

Matrix is a very talented home bred gelding by THE ECHO RIVOLI RELIC - HSH, he is a big horse that is normally very strong unless Roy is on board.

Roy played for Bunnan Polocrosse Club and the pair had a great season together.

2019 saw some great results from this pair. Roy settled into the Number 1 position very well which is Matrix's favourite, at Galloping Gully last year Roy threw 9 goals in one chukka bringing home winners.

Roy also got selected to play at his second representative Zone Polocrosse Carnival that was held at Dunedoo, playing a No 1.

Last year Roy moved onto Juniors where the pace is quite a bit faster, Roy & Matrix have stepped up and handled it with ease. One stand out carnival for them was playing in the B grade Open at age 12 with cousin Lauren Sinderberry and husband Steve at Warren, where they achieved runners up, certainly a highlight for Roy.

Both Roy and Matrix are loving the game and each other.

Cassie Lea (TODDS CHATEAU- HSH)

My name is Cassie and I have been riding since I was 2 years old. I have only been riding Australian Stock Horses for about 4 years now. Fiona Beer has progressed me into this whilst learning on WAYMERE OAKS LEGEND, having much success on him before purchasing TODDS CHATEAU (chips).

We have owned chips for 2 and a half years and in this time, we have attended many ASH and Agricultural shows together as well as entering in the local ODE. I have had many great achievements whilst competing but a highlight would be winning the 13yrs & Under 18yrs High Point at Victoria State Show 2 years running.

My goal is to compete at the ASHS Nationals and hopefully get chips to the Youth National later in the year.

Georgia Maben (SILVERTHORN OAKS CHANDELIER)

5 year old SILVERTHORN OAKS CHANDELIER was purchased in March 2018 off the Maytom Family as a 3 year old filly. The intention was for Chandelier, fondly known as Chandy, to be trained by my mother but with intentions for her to be my father's main mustering horse. It wasn't long before I became the main jockey at the age of 8 years old and stealing 3 year old Chandy as my main competition horse. We have both learnt so much together over the past 2 years, forming a friendship and bond that is unbreakable.

Chandy has always been quiet to handle and a great teacher, always reminding me to never take her for granted. Although she is very patient and puts up with children doing tricks bareback, a stockwhip being cracked in every perceivable gymnastic position imaginable, backflips off the side of her and laying her down, she is far from a 'push button' pony. She has taught me to not only ride beyond my years but has also taught me how continuous training is especially important.

Chandy's pet hate is clapping, she is as tough as nails, never shows marey behaviour and is quite happy with her own company and loves carrots!! My mother and I have been the main trainers since Chandy was 3 years old. Sue Duggan has also been instrumental in campdraft and general horsemanship training with both Chandy and I.

Jess Somerfield and Shania Madden have also helped with our dressage and showjumping training and there has also been many others that have guided us over the last 2 years.

Anastasia Martin (THE ECHO PHANTOM - HSH, THE ECHO POSTMAN & PALMERS COMEDY - HSH)

During 2019 Anastasia once again competed on her two home bred geldings, THE ECHO PHANTOM - HSH and THE ECHO POSTMAN (aka Decoy) and PALMERS COMEDY - HSH. She has been solely responsible for the education of all three geldings herself and they are each a credit to her. The highlight of the year with THE ECHO PHANTOM - HSH was the National Youth Show where they were overall winner of the 18yrs & Under 21yrs Challenge having won the Working and Cattle sections and placed 3rd and 4th in the Time Trail and Hack.

They had many other placings in the show events, including winning the Working Class. Their total points put them into a 3 way count back for overall Champion – which sadly they didn't win. Decoy was lightly campdrafted during the year, results included placing 2nd in the campdraft at the National Youth Show. PALMERS COMEDY - HSH was as consistent as ever in sporting with wins at the Pony Club State Sporting Championships and taking a clean sweep of "Fastest of the Day" sporting times at the Merriwa President's Cup.

As Anastasia is now 21 this is her last year for the Youth Point Score Awards. She has been fortunate enough to have received 61 awards over 14 years on 10 horses and wishes to thank the Australian Stock Horse Society for these.

Clancy Martin (THE ECHO PARIS - HSH)

THE ECHO PARIS - HSH stepped up to play polocrosse for Clancy in 2019 when he found himself with a horse shortage. His intended main mount, a half-brother to Paris, didn't recover from an injury sustained the previous year. His young horse went through a fence and put himself out of action for 3 months, so Clancy borrowed his little sister's young horse. Paris is a home bred mare that Clancy helped to educate. Clancy's calm approach to the game allowed the mare to quickly settle on the field and she improved in every game, winning Best No 1 at her third carnival.

We are excited to see how good this mare might become over the next few years. Paris is also showing herself to be a talented showjumper with Clancy's sister Nicole in the saddle.

Nicole Martin (PALMERS COMEDY - HSH & MULWARREE CHARM)

In 2019 PALMERS COMEDY - HSH took his 3rd rider in the family to State and National competition in a variety of disciplines. Nicole was selected in the NSW Junior Girls Polocrosse team to compete against Queensland and Victoria in Warwick Queensland in April. The team were undefeated at the tournament with Nicole playing a strong role in the No. 3 position.

Other highlights of the polocrosse season included Best No 1 and Champion Junior player at the Merriwa Carnival and being selected in the Hunter Valley Junior Team for the NSW Zone Polocrosse Championships where the team took home the winner's trophy having been undefeated.

Lucy Neilson (LULUS GIFT - HSH)

Gift is owned and trained by the Wamsley Family. I was just very fortunate to have the opportunity to ride such a beautiful and talented horse. I have been riding horses all my life and have been riding Gift for about the last 2 years.

My riding career major achievements so far have been qualifying for the ABCRA Campdraft National Finals numerous times and ABCRA Junior Campdraft title Runner Up.

Gift mainly plays polocrosse however is a horse that would be very versatile in most disciplines especially campdrafting. Gift is a mare that has a huge heart and attitude to never give up. She is exceptionally soft and very responsive. In regards to polocrosse she knows the game very well, she can predict the next move of other horses/ riders and most of all she taught me the game of polocrosse in a short period of time.

Ava Peel (BOON HILL BOSTON)

I began competing at 18 months old. I have been luckily enough to have had some great home bred horses to teach me and also carry me to success at Branch, State, National & Royal level in all ASH events.

I have been riding Boston for about 2 years, he is a third generation home bred gelding who has been trained by my mum.

Boston is quiet laidback and casual and does most things asked of him. I think this allows us to compete in all areas of ASH events, Pony Club, Open Show Hunter and Riding Classes at the highest level.

2019 was very successful for us being picked to represent NSW at Pony Club Nationals in dressage finishing 5th overall, winning Pony Club rider 11yrs & Under 13yrs at Sydney Royal and topped off by being declared champion rider at ASH Youth Nationals to list a few.

Brielle Powell (RUNAROO TOMCAT - HSH)

I have been riding my whole life, I first started when I was 3 years old on a little pony called Noni, where I did Pony Club and I haven't stopped riding since.

Tommy and I have been a strong combination, this year it is heading on 9 years. Tommy and I have grown together since we were both little and we still and will stay as a strong combination. Since the day I got him I have worked on Tommy all by myself with the guidance of trainers and my family. We bought him from Aaron and Janelle Neale of Runaroo Stud in Taralga. Tommy was purchased in the year of 2011 and haven't looked back since.

One of my most major riding achievements would definitely have to be winning the R.M. Williams Trophy for the Most Versatile Stock Horse Ridden by a Youth under 18 years 3 years in a row (2017, 2018 & 2019) at the Sydney Royal Easter Show.

Tommy is very successful in other disciplines, which varies from Pony Club, showing, jumping, one day events, working hunter and more. Tommy expresses constancy in in whatever he does and really shows that the Stock Horse is the breed for every need. Tommy is a fifth-generation Heritage Stock Horse.

Tommy is really my once in a life time horse. In the showing ring he is so consistent in everything that he does, he always tries his hardest and most importantly is such a loving horse to have around.

Kate Preston (TORINA PHANTOM - HSH)

I have been riding since I was a baby and have been sharing Phantom with my Dad for the last 2 years, My Dad, has trained him since he was broken in. Phantom is home bred and got his name, because we thought his mother was having a "phantom pregnancy" after two negative pregnancy tests.

Phantom is mainly used in challenges and shows as we don't have cattle to practise campdrafting. He has won many challenges and show events with both me and Dad riding him.

We have won the Central Queensland ASHS Supreme Champion Youth Ridden Horse 2019 and the Supreme Under 13yrs Working Horse Rockhampton Show 2019.

He has an easy going temperament, agility and willingness to do as asked.

Ashleigh Pritchard (BAYLAUREL PANACHE)

We purchased Panache in April 2015 and he was bred locally by Sally Robinson. Having been used predominantly for polocrosse and polo prior to our purchase, he took to Pony Club, dressage and jumping with surprising ease. Ashleigh and Panache formed an amazing bond as they learnt the ropes together and Panache really has become her unicorn. They have a go at almost every type of event from dressage, jumping, eventing to working Stock Horse, campdrafting, barrel racing and much more.

Panache is very versatile but more importantly he is an exceptional horse in his desire and ability to adapt to all different levels of riders and situations and he gives 110% every single ride. He is used occasionally by Ashleigh's Mum for coaching and has been a safe and brilliant ride for many different riders including riders with mild to severe disability. He truly is one exceptionally special and irreplaceable horse. He is super smart and has a personality larger than life and is quite often up to mischief around the stable block.

Photo: Rustic Pics

Caitlin Pritchard (MONTCALM JOE - HSH)

We purchased Joe in Jan 2016 from Michelle May in Western Australian and he had predominantly been used for polocrosse. Joe and Caitlin immediately formed a remarkable partnership that has seen them win countless times at State level in many disciplines and been selected for WA National Interschool Teams.

An amazing journey and there is nothing they can't do from dressage, jumping, eventing, barrel racing, campdrafting, working Stock Horse and everything in between. Joe and Caitlin won the prestigious WA State Interschool Champion Secondary Rider, Rural Rider and Secondary school rider in 2019. They also won the WA High Point Youth ASH State Championships 2019, ASH WA State Management Council Juvenile Award and Ringwoud Jaguar Award. Also winning the 2018 National ASH High Point Youth Showjumping and Eventing Award.

Joe is an exceptionally athletic and trainable horse but also loves a good prank and is cheeky around the stables. He's quite the personality and he adores Caitlin and they spend many many hours together roaming the district with Caitlin riding him bareback and in a halter. Whilst his 2019 season was cut very short due to injury, we are hoping that he will return to competition life better than ever in 2021.

Caitlin Pritchard (SPRINGBROOK CRUZ)

Cruz is an exciting young Stock Horse, we purchased him in 2018 as a green 4 year old bred by Anna Kennedy Springbrook Stock Horses. At a towering 16.2hh he was too tall and lanky for polocrosse but he has made the perfect athletic sports performance horse. He has an exceptional jump ability and has already won many placings and championships.

Caitlin educated him slowly and carefully allowing him to mature and find his feet. Caitlin is hoping that he will be as versatile in a variety of disciplines as her other Stock Horse Joe although Cruz's forte really is in the jumping and dressage ring. He is already jumping 1.05m easily and training great heights on cross country.

Cruz won the Albany Encourage Show Hunter Horse of the Year Final in 2019 as well as placings in the PCWA State Showjumping, WA ASH State Championships 2019. Cruz and Caitlin were selected for the 2018 and 2019 Great Southern Event Riders Squad and she is hoping to compete him at the WA State Interschools Championships this year. Cruz is a big personality with big feet and with a great future ahead of him.

Photo: Aaron Wiegele

Bobby-Jo Tattam (BULLSEYE RUBY ROSE)

I have been riding since I was about 6 years old and have been riding BULLSEYE RUBY ROSE for one year. We purchased Ruby at the 2019 Landmark Classic Sale from Willinga Park.

2019 was Ruby's first year of competition she is a nice type with good movement and she is by BINNIA IMPRESSIVE DESTINY. I have won Supreme Champion Rider of Dirranbandi Show for two consecutive years on my other ASH gelding. Ruby and I won the Led and Ridden award for the Balonne Branch in 2019. Ruby has also won Champion and Reserve Champion Hack and Working Classes in Ag Shows.

Dad and I have been the only people to play a major role in Ruby's training so far. I think what makes Ruby an exceptional horse is that she is very easy to be around, easy to work with and she has achieved a lot in a short period of time.

Mitchell Wamsley (EFFICIENT - HSH)

Tom Wilson (PLAYMORE ROCK N ROLL)

I am a member of North West Branch and have been involved with horses all my life. PLAYMORE ROCK N ROLL (Elvis) was bred by Glenn and Kim Frazer, we purchased him in 2014 from Janelle Manning as a 3 year old, I was 11 years old at that time.

Elvis and I have had a great partnership over the last 6 years, he is a very versatile horse that has won many Open and Juvenile events in cutting, show classes, working cow horse, challenges, campdrafts and dressage.

A few special achievements include winning a saddle in the 2015 ISHE Working Horse Challenge when I was 12 years old, at 14 years old I won a Maiden Campdraft with Elvis and then competing in the 2018 ASHS National Show winning the Highest Scoring Juvenile in the Maiden Series. In 2018 at the ASH National Youth Show at Camden, Elvis won Supreme Working and again in 2019 ASH Youth Nationals at Merriwa, he was 1st in the Challenge, Champion Pleasure and Working then won Supreme Working we were also the Highest Point Score in my age group.

Elvis is a very consistent horse and always gives me 100%, he's a great mate and I'm lucky to have such a talented horse. Also a big thanks to my Mum and Dad that have been a major influence and a great support in my riding career. I would also like to thank the Australian Stock Horse Society for this award and everyone that has helped me along the way.
