PREFIX APPLICATION

The initial part of a horse's name is the Prefix.

- Australian Stock Horse Breeders may use a standard Prefix when naming horses, if registered.
- Members may register a Prefix for standard naming of horses, or use a different name (including Prefix) for each horse registered.
- A member is unable to use a standard word when naming horses unless registered as a prefix.

To register a Prefix, you must seek registration from the Society.

Why should I register a Prefix?

- A Registered Prefix creates an individual identity for the Member and their horses as an Australian Stock Horse Stud.
- It is a perfect way of recognising the Stud and horses bred for years to come.
- It provides a convenient and simple way to name horses.
- The performance of horses bred by the Stud and overall success of the Stud are easily recognised.
- At sales, horses bred or appearing in pedigrees are easily identified as being from the Stud.
- It is a way of promoting the Stud and all it has to offer, under one identity.
