Gulgong Showground Rules & Regulations

Gulgong Showground is run independently by the Gulgong Showground Trust. Please be advised of their rules and regulations. The Central Tablelands Branch ASH has no bearing or control on any of these regulations; however, our patrons must abide by them.

1. One lead per power outlet – all leads must show a 'current test tag'
2. Majority of powered sites are NOT allowed to have horses in that area. You can unload and clean float out then park in the horse free area. Horse floats are to be cleaned out before entering the horse free area for camping
3. Please only use the supplied power mushrooms for your power usage or the generator supplied. DO NOT use power points found in bathrooms or surrounding sheds.
4. No horses are to be ridden or led in the horse free area
5. Parents are to advise and also supervise their children regarding the horse free areas
6. Please keep areas around horse floats and also horse yards clean and tidy at all times
7. **DO NOT park between the rodeo arena and the Campdraft arena near the loading ramp**
8. **All dogs must be on a lead or tied up – Council will be called if wondering dogs are sighted**
9. **Under no circumstances are horses to be tied to trees**
10. **All yards must be kept clean & CLEANED OUT WHEN LEAVING.**

Please contact either the caretaker or a Central Tablelands Branch Committee member if you are unsure where to park!

Thank You Sponsors

As with any event, they would not run without our very important and generous sponsors. Central Tablelands Branch would like to thank each and every one of them and we would encourage all of our participants to show their support to our sponsors as a thank you also.
